SPONSORSHIP PROSPECTUS

*Help us elevate and advocate for pharmacy compounding.
We'll help you reach the profession's movers and shakers.*

The Alliance for Pharmacy Compounding is the voice for pharmacy compounding, representing compounding pharmacists and technicians in both 503A and 503B settings, as well as prescribers, educators, patients, and suppliers.

And as data from our 2023 demographics survey show, our members are the movers and shakers you want to reach.

In 2025, your messaging will have increased reach, thanks to our new Pharmacy/Facility Membership option, which we launched in early 2022. Since rollout, we've increased our membership numbers to just over 5,000, a 405 percent increase over our membership numbers in January 2022.

For details on becoming an APC Corporate Patron or any of our sponsorship opportunities, contact Jason Dunn at (918) 770-6333 or jason@a4pc.org.
